

THERE IS SOMETHING ABOUT LONDONERS.

As one of the only 38 people who have reached both the North and South poles on foot, renowned polar explorer and Beefeater® fan **Tom Avery** recognizes those adventurers who embody the London attitude and heritage. Climber **Tim Emmett** and international mountain guide **Alun Richardson** have a drive for excellence and passion for innovation that have turned these home-grown adventurers into worldwide icons – like Beefeater® Gin, the only London Gin still made in London.
